

Biga Chamber of Commerce and Industry

MISSION

Biga Chamber of Commerce and Industry uses its duty and authority, in accordance with the law numbered 5174, in order to serve its members and Biga. It has the aim to inform its members, protect their rights and interests, guarantee the future of members. For this cause, it sticks to exactness, timeliness, objectivity and reliability principles. In this way, it makes membership attractive and enables Chamber's integration with other organizations. It ensures preserving the continuity of Biga's economic, social and cultural values by keeping them alive.

VISION

Our Chamber managed to be institutional and serving to its members professionally; aims using its accumulation of knowledge and resources for the benefit of members and Biga, thus becomes the center of synergy.

Leading in every project and activity, adding value to economic and social life; it became the strongest, the most reliable and consulted Chamber in its region.
