

Our industrialist members should hand their Annual Operations Schedules until the end of April.

Industrial enterprises who operate in manufacturing sector and employing at least one (1) personnel under the 1st article of 6948 numbered Industrial Registry Law, should obtain an INDUSTRIAL REGISTRY CERTIFICATE within 2 months of starting of operations by consulting the local Provincial Directorate of Industry and Commerce.

Industrial Enterprises are to submit their INDUSTRIAL REGISTRY CERTIFICATE, duly required by the 5th article of 6948 numbered Industrial Registry Law, Annual Operations Schedule (SANSIC B) of their operations in previous year (year 2010), to Çanakkale Provincial Directorate of Science, Industry and Technology or at the “Annual Enterprise Operations Schedules” section under the subsection of “Online Applications” subpart of the “E-Services” part of the Ministry of Industry and Commerce website (www.sanayi.gov.tr). Failure to comply is punishable by an Administrative Fine (616.00 TL) according to 9th Article of the Law.

It is very important to include the company e-mail addresses in the prepared Capacity Reports, because the notifications about Industrial Registry Certificates will be published to e-mail addresses.

Visa of the Industrial Registry Certificates should be done biennially of certificate issuance date

in order to maintain validity.
